Your cat is a comfort, your bird is mischievous, your dog is a hero...every pet has a tale. Whether you want to preserve

a memory to share with your family, or are considering seeking publication, you can write your pet's story. In this 2-session class, you'll learn how to share your pet's wonderful, amazing and special life in narrative nonfiction...possibly the first of many. We'll discuss the building blocks of a short story, how to craft a scene, and what specifically makes a pet story sing (or bark or purr!). Bring to class: a notebook and pen, or laptop.
