

Sidney Albert Albany JCC

April 6, 2022

Dear JCC Campers and Parents,

Hope everyone is doing well as the summer is right around the corner. This letter is to inform you about our relationship with the local health department. Our summer camps receive an issued permit from the health department through an application process and pre-inspection of our summer camp sites. Our Albany JCC Center Camps under Albany County DOH's jurisdiction. Our Center Camps have a safety plan submitted to the health department prior to the opening of camp. This safety plan includes the approved guidelines that all JCC Camp Staff must follow. Our Center Camps are inspected twice during the summer by Public Health Technicians to ensure our camps follow the New York State Sanitary Code Subpart 7 – 2 Children's Camps. Copies of the permit and inspection forms are located at the following address:

Albany County DOH
P.O. BOX 678
South Ferry & Green Street
Albany, NY 12201

If you have any questions, please feel free to contact me at the JCC Camp Office. Thanks and have a great summer!

Sincerely,

Andrew Katz
