FOUR PART WORKSHOP SERIES WITH DOROTHEA OSBORN

WINTER LANDSCAPES

Tuesdays, December 7 - 28, 2021

11:30 am to 1:00 pm

Albany JCC's Massry Center

This December, embrace the up coming winter and create your own winter landscapes using acrylics. You will be provided with step-by-step directions to create a different landscape each week.

Did you know that winter landscapes only began in the 15th and 16th centuries? Most of these were plain air landscapes, using the quality of gray winter to create the winter atmosphere.

Come and enjoy each other company while learning something new in creating these winter landscapes. Cost: \$72 for JCC Members and \$79 Program Guests. Supply list given upon registration. Click [here](#) to register or call 518-438-6651.
