

Sidney Albert
Albany JCC

Weather Policy:

The center's weather policy is designed to maximize availability and usage of our facilities for our members, while minimizing risks to members and staff.

It is the policy of the center to remain open during most periods of inclement weather. However, when extreme circumstances warrant, such as ice storms, power outages, or major snowstorms, we reserve the right to delay openings, close early, cancel programs or classes, or close the entire facility. When extraordinary conditions do happen, we will post to our web site, place on the School Closing Network and Facebook.

Please note that even when the center is open, classes may still be cancelled. Calling ahead is always a good ideal.

The JCC Early Childhood program may have different hours and instructions during inclement weather.
