# DRAW ZOOM SQUIRREL IN 6 STEPS!

YOU WILL NEED:

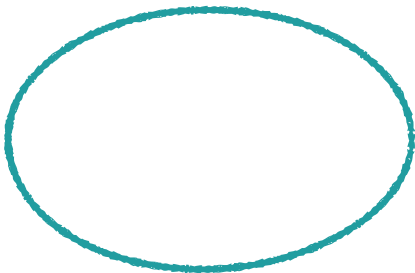

Kennedy Center Education Artist-in-Residence at Home

If you know how to draw shapes and write your name, you are ready to draw Zoom Squirrel!

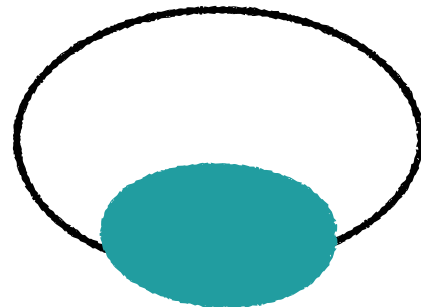

That's because drawing is just a bunch of shapes and letters put together in the right order. Let's try it!

1

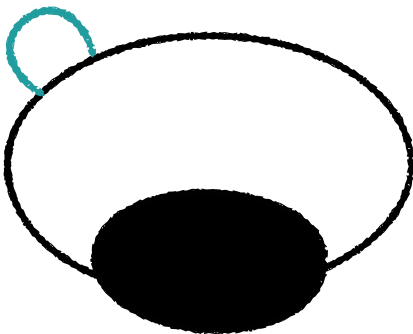

First draw a Mo-val.  
(A Mo-val is a circle that looks like an egg.)

2

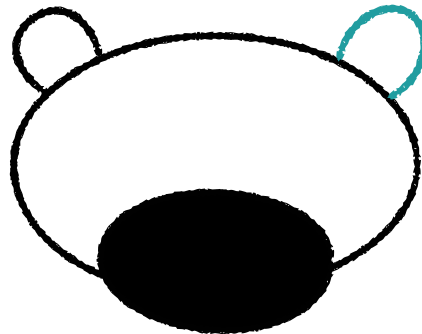

Over the bottom of the Mo-val, draw a smaller Mo-val. Color it in. Zoom Squirrel has a nose!

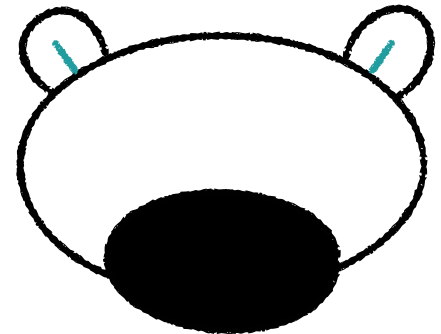

3

Draw an upside-down letter **U** on one side of the head.

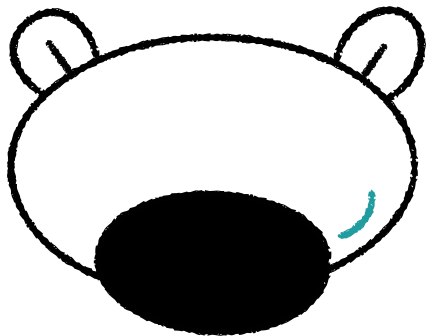

Then draw another upside-down letter **U** on the other side.

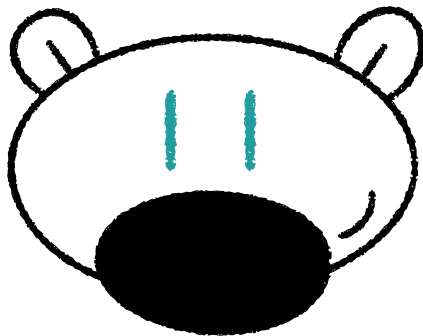

Now add two smaller number **1**s inside each ear.

4

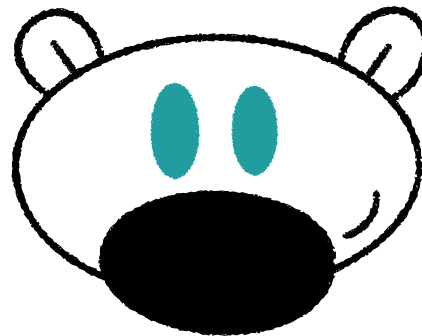

For the mouth, draw a curved line. Zoom Squirrel has a smile!

5

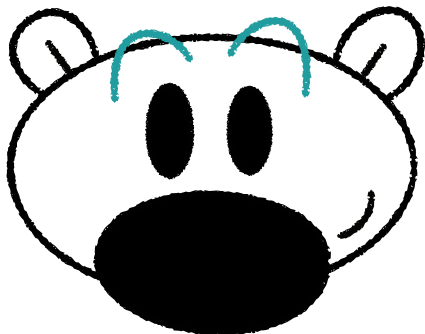

For the eyes, draw the number 11.

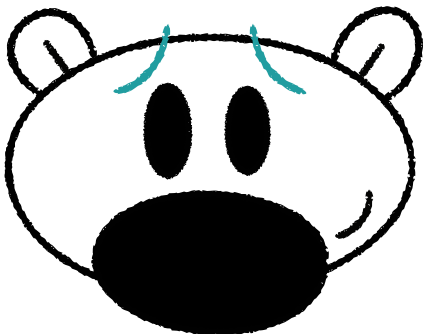

Make the number 11 bigger (like inflating a balloon).

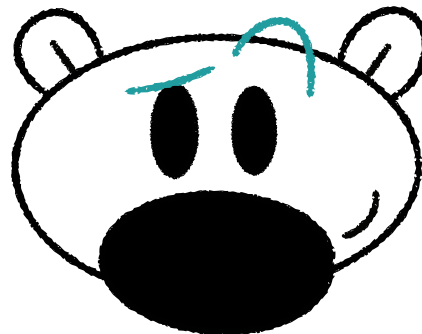

6

Then add eyebrows.

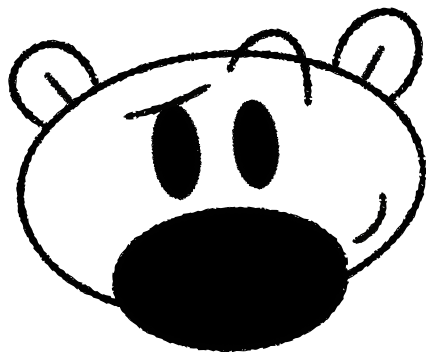

The eyebrows help to show what Zoom Squirrel is feeling.

Try different shapes to show different emotions!
