If you know how to draw shapes and write your name, you are ready to draw Cat the Cat!

That’s because drawing is just a bunch of shapes and letters put together in the right order. Let’s try it!

1. First, draw a big letter O. It appears in words like Mo!

2. Inside the big letter O, draw two smaller letter Os.

3. Inside the eyes make two big dots. Cat the Cat can see!

4. Draw an oval. Darken it in. That’s the nose!
