If you know how to draw shapes and write your name, you are ready to draw Knuffle Bunny!

That’s because drawing is just a bunch of shapes and letters put together in the right order. Let’s try it!

1. Start by drawing a sideways number 8.
2. Inside the 8, add two dots. Those are eyes.
3. Below the eyes, draw an oval and darken it in. Knuffle Bunny has a nose!
4. Draw a big zero around the eyes and nose. That’s the head.
Draw a long number 1 from the nose to the bottom of the head.

Add short sideways number 1s for the stitching.

Draw a very long letter U on one side of the head.

Then draw another letter U on the other side.

Now add two smaller Us inside each ear.

FINISHED!

What a great job! Don’t forget to sign your name so everyone can see what a great job YOU did drawing Knuffle Bunny!
